## Looking for Jazz Bass for casual rehearsals

Posted by chcham - 2008/11/25 18:02

---

Rebound Jazz Quintet is looking for an experienced bassist who would be interested in sitting in on jam sessions a couple of times a month for casual playing and some arranging. Amp can be provided. Upright preferred, but not necessary.

I'm a freshman at UW, I play a fretless 5 string. I do 90% jazz and I'm pretty good. If you want, I'd love to play with you.
